MEMORANDUM FOR: Director of Logistics

SUBJECT : Printing Services Building at Langley

1. On 18 June 1964 the Executive Director-Comptroller advised me by telephone that the CIA Armed Services Subcommittee (the Vinson Committee) had approved of the use of the unobligated balance remaining in our authorization and appropriation for the Headquarters building for the construction of a Printing Services building. The CIA Appropriations Subcommittee (the Mahon Committee) has already approved this proposal. The Executive Director-Comptroller therefore informed me that our authorization to proceed was clear and approved.

2. You should therefore take immediate steps to activate this project, keeping this office currently advised of your progress.
